

Connectors, GC consumables, Thermo Scientific Finger Tite

- Easy to handle over GC operating temperatures
- No tools required
- Available for Thermo Scientific and Agilent GC instruments

Catalogue No	Legacy No	Alt. No	Description	Pack qty
10584465	-	290ST130	Female nut for Thermo Scientific instruments	5
10177804	-	290ST131	Split/splitless and MS starter kit for Thermo Scientific instruments	1
10321485	-	290ST132	Split/splitless and FID starter kit for Thermo Scientific instruments	1
10301155	-	290SA130	Male nut for Agilent instruments	5
10794827	-	290SA131	Split/splitless and MS starter kit for Agilent instruments	1
10197494	-	290SA132	Split/splitless and FID starter kit for Agilent instruments	1
10137524	-	290SA133	Split/splitless injector base seal for Agilent instruments	2
10015964	-	290S1132	Finger Tite ferrule 0.4mm IDs for 0.1mm to 0.25mm ID columns	10
10055914	-	290S1131	Finger Tite ferrule 0.5mm ID for 0.32mm ID columns	10

Ferrules, GC consumables, Thermo Scientific

- Wide range of choices for different applications
- Available for Thermo Scientific and Agilent GC instruments
- Supplied in contaminant free blister packs
