

Spray bellows, single ①

- With inlet and outlet valves

Catalogue No	Dia., mm	Overall length, mm	Nominal cap., mL
BOR-310-N	55	250	65

Orsat bellows

- Fitted with rigid connectors for attaching 6mm bore tubing
- Non-return valves ensure uni-directional flow

Catalogue No	Dia., mm	Overall length, mm	Nominal cap., mL
BOR-345-Y	55	160	60

Spray bellows, double ②

- With inlet and outlet valves
- Short length of 5mm bore tubing connected to outlet

Catalogue No	Bulb dia., mm	Reservoir dia., mm
BOR-380-070M	55	75

Bench protection mats

- Heat resistant mats, 6mm thick, consisting of a reinforced calcium silicate matrix
- Not suitable for direct heating applications
- NOTE: Allow to dry at ambient temperature if they become wet

Catalogue No	Length of sides, mm	Pack qty
BOR-600-010Q	150	10
BOR-600-030K	225	10
BOR-600-050E	300	5

Absorbent bench paper

- Polyethylene backed 125g/m² absorbent paper suitable for all types of laboratory work surfaces
- Available in sheet or roll form

Catalogue No	Dimensions
FB13068	570mm x 460mm sheets, pack of 100
FB13069	460mm x 50m roll
FB13070	920mm x 50m roll

Absorbent bench paper, BenchGuard

- Polymer backed 400mL/m² absorbent paper designed to protect work surfaces against accidental spillage of chemicals and biohazards
- Available in sheet or roll form

Catalogue No	Dimensions
PBH-800-010G	490mm x 50m roll
PBH-800-030A	490mm x 600mm sheets, pack of 50
PBH-800-050R	920mm x 50m roll

Bench protection mats, Dychem®

- Manufactured from a specially developed polymer compound, Dychem®, designed to grip, protect, anchor and cushion
- Colour fast, odourless and resistant to most chemicals and solvents
- Provides stability and shock absorption for long term experiments

- Easily cleaned or sterilised, DO NOT AUTOCLAVE
- When wet, allow to dry completely to restore full non-slip effectiveness
- Available in a range of sizes and colours

Bench protection, spill trays

- Lightweight polystyrene trays designed to contain spills that occur within laboratories
- Easily wiped clean
- Supplied in packs of 25
- NOTE: Only suitable for dilute acids

Catalogue No	Dimensions, mm
PBH-890-010M	475 x 360
PBH-890-030G	700 x 450
